The "Username" field is currently empty and has a blue border. At the bottom of the form are two buttons: "Cancel" and "Sign In".

Enter your personal user name and password

A screenshot of the Daphne Health login page. The header features the "DaphneHealth" logo. Below the logo are two input fields: the first contains the username "bodnarc" and the second contains a masked password ".....". A large purple "LOG IN" button is positioned below the password field. A link for "Forgot Password" is located at the bottom of the page.

This will take you to the dashboard.

Clicking "Schedule" on the left and then clicking on a provider name will take you to the schedule for that provider for the week. Any visit requests for the day will be there.

Click on patient name on the schedule to be taken to a screen where you can either click their name again to see the patient dashboard or click on "View Encounter" to be taken to the encounter note that the nurse or cna started for this visit.
